"Thin Man" - Sequential Human Anatomy Program

Item No. 1005548 [W42532]

Weight 3.49kg

Dimensions 160 cm

MPN: 0700-00

[Read More](#)

SKU:

Categories: Ear, [Ear, Nose and Throat \(ENT\)](#)

Product Description

Explore the human body layer-by-layer by peeling away transparent mylar overlays. Displayed on the rear view of the Thin Man is a full-figure diagram of the skeletal and nervous systems. Over 200 anatomical features are named, indexed, and keyed in this amazingly detailed anatomical chart. The layers of the Thin Man poster display the following systems: • 1st layer - Musculature of the head, neck, thorax and abdomen • 2nd layer - Brain, thyroid and salivary glands, eye, tongue, teeth, heart and major vessels, lungs, stomach, liver and intestines • 3rd layer - Sinuses, nasal, septum, tongue, trachea, heart, chambers, and vessels, pancreas, spleen, large intestine • 4th layer - Esophagus, pleura, aorta, inferior vena cava, intercostal vessels and nerves, autonomic nerve trunk, kidneys and adrenal glands • 5th layer (full figure) - Brain, pharynx, vertebral column, rib cage, muscles of upper and lower extremities, pelvic organs and muscles This anatomical poster is a great way to learn the

systems of the human body...almost like having a set of anatomy flashcards for every system of the human body condensed into one detailed chart. Item includes metal stand.

Why Choose the "Thin Man" Sequential Human Anatomy Program for Your Anatomy Teaching in India?

The "Thin Man" Sequential Human Anatomy Chart (Item No. 1005548 [W42532], 3.49 kg, 160 cm, MPN: 0700-00) lets students explore the human body layer-by-layer, peeling away transparent mylar overlays to reveal successive anatomical structures — almost like a set of anatomy flashcards for every body system, condensed into one detailed chart. The rear view displays a full-figure diagram of the skeletal and nervous systems. Over 200 anatomical features are named, indexed, and keyed.

Layer-by-layer content:

- **1st layer:** Musculature of the head, neck, thorax, and abdomen
- **2nd layer:** Brain, thyroid and salivary glands, eye, tongue, teeth, heart and major vessels, lungs, stomach, liver, and intestines
- **3rd layer:** Sinuses, nasal septum, tongue, trachea, heart chambers and vessels, pancreas, spleen, large intestine
- **4th layer:** Esophagus, pleura, aorta, inferior vena cava, intercostal vessels and nerves, autonomic nerve trunk, kidneys and adrenal glands
- **5th layer (full figure):** Brain, pharynx, vertebral column, rib cage, muscles of upper and lower extremities, pelvic organs and muscles

Includes: Metal stand.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of leading anatomical teaching charts in India, with over 30 years of experience supplying medical education equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: Does this cover the whole body or just one system? A: The whole body — five peel-back layers covering musculature, organs, vasculature, and skeletal/nervous systems across the head, thorax, abdomen, and pelvis.

Q: Does it come with a stand? A: Yes — a metal stand is included.

Q: How do I order from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
