SKU:

Categories:Urinary System

Product Description

The anatomy of physiology of the human urinary tract is illustrated on this colorful anatomical chart. The microanatomy of the renal corpuscle, cortex and medulla are included. The anatomy poster includes other useful information about the urinary tract system, making it a great educational tool! The poster is printed on premium glossy (200g) paper. Convenient Poster size 50x67cm (20x26").
The Urinary Tract — Anatomy and Physiology (VR1514UU)

The Urinary Tract — Anatomy and Physiology chart (Item No. 4006698 [VR1514UU], 0.075 kg) by 3B Scientific, Germany illustrates the anatomy and physiology of the human urinary tract on a single colorful anatomical chart.

Goes down to the microanatomy level. The chart includes the microanatomy of the renal corpuscle, cortex, and medulla — giving students a view that extends beyond gross anatomy into the finer structural detail of kidney filtration.

A complete educational tool. The anatomy poster includes other useful information about the urinary tract system, making it a well-rounded teaching resource for urology, nephrology, and general anatomy courses.

Built for classroom and clinic durability. Printed on premium glossy 200g paper at a convenient 50 × 67 cm (20 × 26") poster size.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B Scientific products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What does this chart cover? A: The anatomy and physiology of the urinary tract, including the microanatomy of the renal corpuscle, cortex, and medulla.

Q: What size is the chart? A: 50 × 67 cm (20 × 26"), printed on premium glossy 200g paper.

Q: Does this pair well with other urinary system materials? A: Yes — it complements the companion Prostate Gland Chart and the Kidney Section model set for a fuller urinary system teaching collection.
