Human Ear Chart

Item No. 4006520 [V2010U]

Weight 0.2kg

Dimensions 84 x 118 cm

Brand 3B Scientific

[Read More](#)**SKU:****Categories:** Ear, [Ear, Nose and Throat \(ENT\)](#)

Product Description

The tiny anatomy of the human ear is easy to view in study in this oversized anatomical chart. The colorful poster is a great tool for the study of the anatomical details of the human ear. The human ear chart is delivered without wooden rods.

Why Choose the Oversized Human Ear Chart for Your ENT Teaching in India?

This oversized anatomical chart (Item No. 4006520 [V2010U], 0.2 kg, 84×118 cm, Brand: 3B Scientific) makes the tiny, intricate anatomy of the human ear easy to view and study at a much larger scale than a standard poster. The colorful chart is a great tool for detailed classroom or lecture-hall study of ear anatomy, where visibility from a distance matters.

Please note: this chart is delivered **without wooden rods** — mounting hardware will need to be sourced separately if wall-mounting with rods is required.

Specifications: 84×118 cm (oversized format).

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of 3B Scientific products in India with over 30 years of experience supplying medical education equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: Does this include wooden mounting rods? A: No — the chart is delivered without wooden rods.

Q: How is this different from your standard Human Ear Chart? A: This is a significantly larger format (84×118cm vs. 50×67cm) — better suited to lecture halls or large classrooms where visibility from a distance matters.

Q: How do I order from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
