Product Description

The anatomy of the human torso is displayed in full colorful detail on this oversized chart. The important organs of the torso region are present and easy to view and study with this anatomical chart. The human torso poster is delivered without wooden rods.

Torso Chart (V2008U) — Oversized Human Torso Anatomy Poster

The Torso Chart (Item No. 4006519 [V2008U], 0.2 kg) by 3B Scientific, Germany displays the anatomy of the human torso in full colorful detail on an oversized 84 × 118 cm chart, with the important organs of the torso region presented clearly for easy viewing and study.

Built for maximum classroom visibility. At significantly larger than the standard 50×67cm chart size,

this oversized poster is well suited for lecture halls and larger classroom settings where visibility from a distance matters.

Please note: the poster is delivered without wooden rods — institutions wanting a mounted, ready-to-hang display should budget for rods or a frame separately.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B Scientific products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What size is this chart? A: 84 × 118 cm — significantly larger than the standard 50×67cm anatomy chart, suited for bigger classrooms and lecture halls.

Q: Does it come with mounting rods? A: No — the poster is delivered without wooden rods; these can be sourced separately if a mounted display is needed.
