Product Description

This anatomical chart illustrates decubitus ulcers, a common problem for bed-ridden patients. Common locations of the ulcers as well as risk factors and wound care are discussed on this poster. The anatomy of decubitus ulcers are illustrated in accurate anatomical detail. This anatomy poster is a great educational tool. Printed on premium glossy (200g) paper. Convenient Poster size 50x67cm (20x26").

Decubitus Ulcers Chart (VR1717UU) — Bedsore Prevention & Care Poster

The Decubitus Ulcers Chart (Item No. 4006720 [VR1717UU], 0.075 kg) by 3B Scientific, Germany illustrates decubitus ulcers — a common problem for bed-ridden patients — in accurate anatomical detail.

Clinically practical, not just anatomical. Common locations of the ulcers, along with risk factors and wound care, are discussed on the poster — giving nursing and caregiving staff a practical reference for prevention and management, not just a visual of the condition.

Built for classroom and clinic durability. Printed on premium glossy 200g paper at a convenient 50 × 67 cm (20 × 26") poster size.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B Scientific products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
