Product Description

This colorful anatomical chart details all the parts of the human skeleton. The anatomy of the skeleton is labeled on a realistic picture and makes for an easy study of the bones of the body. This human skeleton poster is a great addition to any classroom or doctor's office. Printed on premium glossy (200g) paper. Convenient Poster size 50x67cm (20x26").

Human Skeleton Chart (VR1113UU)

The Human Skeleton Chart (Item No. 4006651 [VR1113UU], 0.075 kg) by 3B Scientific, Germany details all the parts of the human skeleton on a colorful anatomical chart.

Realistic and clearly labeled. The anatomy of the skeleton is labeled on a realistic picture, making for

easy study of the bones of the body — a straightforward, accessible reference for foundational skeletal anatomy.

Built for classroom and clinic durability. Printed on premium glossy 200g paper at a convenient 50 × 67 cm (20 × 26") poster size, making it a great addition to any classroom or doctor's office.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B Scientific products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What does this chart cover? A: All the parts of the human skeleton, labeled on a realistic picture for easy study.

Q: What size is the chart? A: 50 × 67 cm (20 × 26"), printed on premium glossy 200g paper.

Q: Does this pair with other skeletal teaching materials? A: Yes — it complements the companion Bone Structure Chart and Rheumatic Diseases Chart for a fuller skeletal system teaching collection.
