Gallbladder Kit

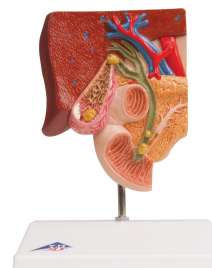

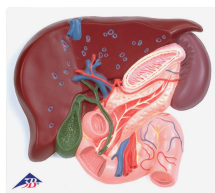

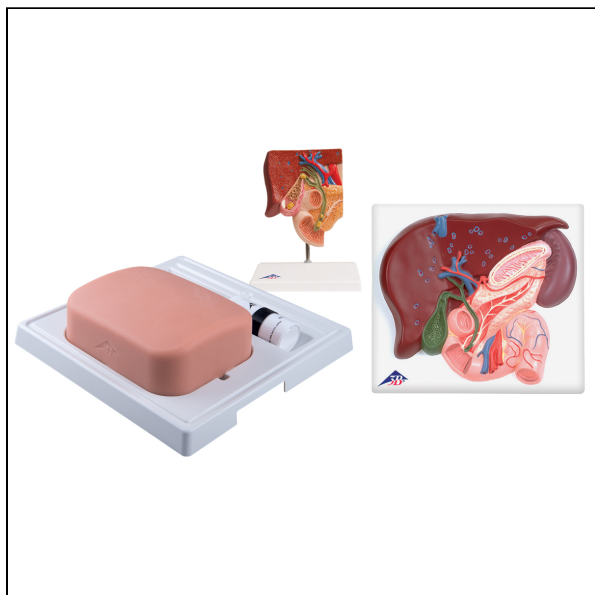

Item No. 8000884 [3011910]

Brand 3B Scientific

[Read More](#)

SKU:

Categories:Simulation Kits

Product Description

The Gallbladder Kit to study and identify gallbladder pathologies! Learn about the gallbladder and surrounding organs in a detailed relief anatomical model. Study the inner anatomy of the biliary system with problems including tissue inflammation and gallstones in commonly found locations. Get hands-on experience using a real ultrasound to identify various gallbladder pathologies on a simulator with the

feel of actual soft tissue. Great for an in-depth training on the gallbladder!

Includes:

- P122 Sonotrain Gallbladder Model
- K26 Gallstone Model
- VE315 Liver, Gallbladder, Pancreas, and Duodenum Model

Gallbladder Kit (3B Scientific) for India

Study and identify gallbladder pathologies with the Gallbladder Kit (Item No. 8000884 [3011910], Brand: 3B Scientific).
