Product Description

The 8 cm cervix insert is used as a replacement part for the birth progress monitoring trainer W43045.
8 cm Cervix Insert for Birth Progress Monitoring Trainer (1013601 / SA4622)

The 8 cm Cervix Insert (Item No. 1013601, MPN SA4622, 0.144 kg, 4.5×10.16×12.06 cm) is used as a replacement part for the Birth Progress Monitoring Trainer (W43045).

Keep your trainer training-ready. As cervix dilation inserts wear out through repeated cervical exam training, this replacement part lets institutions restock a specific dilation stage without replacing the full trainer.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
