Why Choose the Noelle Birthing Torso with Birthing Baby for Your Simulation Lab in India? The Noelle Birthing Torso with Birthing Baby from Gaumard is a trusted training tool used across simulation labs in India for hands-on birthing simulation practice. This simulator helps medical students and healthcare

professionals build critical competencies in a safe, controlled environment — fully aligned with NMC's CBME curriculum for obstetrics and gynecology practical training. Who Is This Simulator Ideal For? This product is recommended for obstetrics and gynecology departments, nursing colleges with midwifery programs, and government hospitals mandated to provide EmOC (Emergency Obstetric Care) training. Whether you are setting up a new simulation lab or upgrading your existing facility, the Noelle Birthing Torso with Birthing Baby offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized Gaumard distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the Noelle Birthing Torso with Birthing Baby compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC’s CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
