Categories: Injections and Punctures

Product Description

Replacement skin and veins for Life/Form Pediatric Arm mode W44715 / 1017973
Very thin data page — and the listed dimensions (0.001 x 0.001 x 0.001 cm) are clearly a placeholder/data error, so I've left them out rather than publish something misleading.

This ties directly to the Life/form® Pediatric Arm covered earlier in this session — it's the dedicated replacement part for that exact model, worth flagging clearly since compatibility is the whole point of this listing.

Why Choose the Life/form® Replacement Skin and Veins Kit for Life/Form Pediatric Arm for Your Nursing Skills Lab in India?

The Life/form® Replacement Skin and Veins Kit (Item No. 1018148 [W99930], MPN: LF00986U) is a genuine replacement kit designed specifically for the Life/Form® Pediatric Arm, model W44715 / 1017973, letting you restore your existing pediatric arm trainer to like-new condition after wear from repeated venipuncture and injection practice.

Compatibility note: This kit is designed exclusively for the Life/Form® Pediatric Arm (W44715 / 1017973). Please confirm you have this exact model before ordering.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical simulators and clinical skills training equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: Which arm model is this kit compatible with? A: It's designed specifically for the Life/Form® Pediatric Arm, model W44715 / 1017973.

Q: What does the kit include? A: Replacement skin and veins for the pediatric arm, allowing you to refresh a worn trainer rather than replace it entirely.

Q: How do I order from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
