Product Description

2 arm/hand skins for infant resuscitation manikin W44608

Arm/Hand Skins for Infant Resuscitation Manikin W44608 (101-094) — Genuine OEM Replacement Consumable

The Arm/Hand Skins for Infant Resuscitation Manikin (Item No. 101-094) is a genuine Nasco Healthcare replacement consumable pack containing **2 arm/hand skin overlays** for the **Life/form® Infant Resuscitation Manikin (W44608)**. It is the correct reorder item when the arm and hand skin surfaces on your W44608 manikin have become worn, stained, or damaged through repeated resuscitation training sessions, restoring the manikin's arm and hand appearance without replacing the entire unit.

Note: This is a consumable replacement part only. The infant resuscitation manikin (W44608) is not included. Pack contains 2 arm/hand skins.

Compatible with: **Life/form® Infant Resuscitation Manikin — W44608 only.** Confirm compatibility with your specific manikin model before ordering.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical simulators and genuine spare parts to 1,500+ institutions across 28 states in India. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: How many skins are included in this pack? A: Two arm/hand skin overlays — one pair covering both arms of the W44608 infant resuscitation manikin.

Q: Which manikin is this compatible with? A: This replacement skin pack is designed specifically for the Life/form® Infant Resuscitation Manikin (W44608). It is not confirmed as compatible with other Nasco Healthcare manikin models.

Q: Is this a genuine OEM part? A: Yes. Item No. 101-094 is a genuine Nasco Healthcare Life/form® replacement consumable.

Q: When should the arm/hand skins be replaced? A: When the skin surface shows significant wear, discolouration, or surface degradation that affects the realistic appearance of the manikin during training sessions.
