Product Description

4 leg skins for infant resuscitation manikin W44608

Why Choose Leg Skins for Infant Resuscitation Manikin for Your Nursing Skills Lab in India?

This pack of 4 replacement leg skins (Item No. 101-093, Weight: 0.2kg, Make: Nasco Healthcare, USA) is designed specifically for the W44608 infant resuscitation manikin, letting you restore worn or damaged leg skins without replacing the entire manikin.

Compatibility note: These leg skins are made for the W44608 infant resuscitation manikin. Please confirm your manikin model before ordering to ensure a correct fit.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical simulators and clinical skills training equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
