Leg Skin Replacement Kit

Item No. LF03624U

Make: Nasco Healthcare, USA

[Read More](#)

SKU:

Categories: Injections and Punctures

Product Description

For use with Life/form® Infant CRiSis™ Manikins. Caution: Use only Life/form® Replacements. Do not use conventional latex tubing. This will cause malfunctioning of the simulator.

Why Choose the Leg Skin Replacement Kit for Your Nursing Skills Lab in India?

The Leg Skin Replacement Kit (Item No. LF03624U, Make: Nasco Healthcare, USA) is a genuine replacement part for the leg skin on Life/form® Infant CRiSis™ Manikins — designed to restore your simulator to like-new condition after wear from repeated injection or puncture practice.

Important compatibility note: This kit is intended exclusively for Life/form® Infant CRiSis™ Manikins. Use only genuine Life/form® replacement components with this kit — conventional latex tubing is not

compatible and will cause the simulator to malfunction.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical simulators and clinical skills training equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: Is this kit compatible with other manikins? A: No — it is designed specifically for Life/form® Infant CRiSiS™ Manikins.

Q: Can I use standard latex tubing with this kit? A: No — conventional latex tubing is not compatible and will cause the simulator to malfunction. Use only genuine Life/form® replacement components.

Q: How do I order from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
