Weight: 45 lbs. (20 kg) Sh. wt.: 67 lbs. (30 kg)

ALEX Plus — Light Skin Tone (Nasco Healthcare) — Portable AI Patient Communication Simulator for India

The ALEX Plus (Item No. 101-7140, Brand: Nasco Healthcare, USA) is the first Patient Communication Simulator that sees, listens, and responds using artificial intelligence. It's untethered and fully portable — simply unpack it and you're ready to train anytime, anywhere (Wi-Fi required). ALEX speaks and understands English, French, and Spanish, with new languages added over time to support learners around the globe.

Key Features: 1-year simulation log archive; Iris Cam livestream with 1,000 hours of recording; speech recognition handling up to 1,000 questions per day; 5-year warranty; built-in microphone and speakers; patient monitoring with vitals and waveforms; intubation training (oral, nasal, and digital); included scenarios with customizable patients; AI voice responses; cloud connectivity accessible from all devices; scenario-driven, instructor-controlled sessions; and 8-hour battery life.

ALEX Plus helps build critical thinking, decision-making, and priority-setting skills, and lets trainees perform patient physical assessment, evaluate vitals and waveforms on a simulated patient monitor, and practice IV administration, catheterization, and airway management.

Specifications: Weight 45 lbs (20 kg). Shipping weight 67 lbs (30 kg). Brand: Nasco Healthcare, USA. Warranty: 5 years.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying advanced patient simulation technology to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ Q: How does ALEX Plus differ from ALEX Lite? A: ALEX Plus offers a longer 1-year simulation log archive (vs. 60 days), up to 1,000 questions per day of speech recognition (vs. 250), 1,000 hours of Iris Cam recording, and a 5-year warranty (vs. 1 year) — all on the same physical platform.

Q: What languages does ALEX Plus support? A: English, French, and Spanish, with new languages added over time.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
