Xtreme Trauma Bleeding Arm

Item No. 101-483

Weight

Brand Nasco Healthcare

[Read More](#)

SKU:

Categories: Moulage and Wound Simulation

Product Description

For Basic SMART STAT (101-8002U) • • Consists of a molded moulage piece with a structure that offers a simple connection to the existing IM injection site of a SMART STAT patient simulator • Features missing muscle and bone, flesh avulsions, fatty tissue, and bone ends • Pressurized blood flow creates a messy wound • Proper applications of a tourniquet will halt the blood flow.

Xtreme Trauma Bleeding Arm (Nasco Healthcare) for Basic SMART STAT Simulators in India

The Xtreme Trauma Bleeding Arm (Item No. 101-483, Brand: Nasco Healthcare, USA) is a graphic explosion-wound moulage built for the Basic SMART STAT patient simulator (101-8002U), featuring missing muscle and bone, flesh avulsions, fatty tissue, and visible bone ends.

The arm consists of a molded moulage piece with a structure that connects simply to the existing IM injection site of a SMART STAT simulator. Pressurized blood flow creates a realistic, messy wound, and proper application of a tourniquet halts the bleeding — giving trainees genuine feedback on

hemorrhage control technique.

Specifications: Weight to be confirmed (see note). Brand: Nasco Healthcare. Compatible with the Basic SMART STAT (101-8002U).

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying advanced trauma and hemorrhage-control training equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ Q: Which simulator is this compatible with? **A:** The Basic SMART STAT patient simulator (101-8002U), connecting via the existing IM injection site structure.

Q: How does the pressurized bleeding feature work? **A:** Pressurized blood flow creates a realistic, messy wound; a correctly applied tourniquet will halt the flow, giving trainees real feedback on hemorrhage control technique.

Q: How do I order from SEM Trainers? **A:** Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
