Product Description

The Ostomy Care Training Models Set comes in a set of 5. Includes all Ostomy Care Training Models: Nonfunctioning Double Barrel Ostomy Care Training Model (LF00898(A)U) Nonfunctioning Prolapsed Ostomy Care Training Model (LF00898(D)U) Functioning Healthy Ostomy Care Training Model (LF00898(B)U) Functioning Infected Ostomy Care Training Model (LF00898(C)U) Functioning Necrotic Ostomy Care Training Model (LF00898(E)U) Designed to help introduce the essentials of ostomy care to patients and students, these units are ideal for demonstration and practice of ostomy care procedures. The anatomy of the ostomies is carefully reproduced to provide lifelike functions and appearance. A soft, pliable material is used for the stomas in order to achieve the most realistic tactile sensation. Dilation of the stomas can be demonstrated and practiced, along with application of postoperative and permanent ostomy bags. Both functioning and nonfunctioning models are offered. Each model is 6 in. L x 7 in. W x 2-1/2 in. D. Five-year warranty.

Life/form® Ostomy Care Training Models Set (LF00898)

The Life/form® Ostomy Care Training Models Set (Item No. LF00898) by Nasco Healthcare, USA comes as a set of 5, designed to introduce the essentials of ostomy care to patients and students, ideal for demonstration and practice of ostomy care procedures.

Five distinct models covering the full range of presentations. The set includes the Nonfunctioning Double Barrel Ostomy Care Training Model (LF00898(A)U), the Nonfunctioning Prolapsed Ostomy Care Training Model (LF00898(D)U), the Functioning Healthy Ostomy Care Training Model (LF00898(B)U), the Functioning Infected Ostomy Care Training Model (LF00898(C)U), and the Functioning Necrotic Ostomy Care Training Model (LF00898(E)U) — giving trainees exposure to both healthy and pathological stoma presentations in one set.

Realistic materials for authentic hands-on practice. The anatomy of the ostomies is carefully reproduced to provide lifelike function and appearance, with a soft, pliable material used for the stomas to achieve the most realistic tactile sensation.

Full ostomy care procedure practice. Dilation of the stomas can be demonstrated and practiced, along with application of postoperative and permanent ostomy bags across both functioning and nonfunctioning models.

Compact and classroom-ready. Each model measures 6" L × 7" W × 2-1/2" D. Backed by a five-year warranty, with a downloadable instruction manual available.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: How many models are included in the set? A: Five — covering double barrel, prolapsed, healthy, infected, and necrotic ostomy presentations.

Q: Are all the models functioning? A: No — the double barrel and prolapsed models are nonfunctioning, while the healthy, infected, and necrotic models are functioning.

Q: What's the warranty? A: Five years.
