The Life/form® CPARLENE® Full-Size Manikin with CPR Metrix and iPad®* – Light (Item No. LF03993) is a high-tech, iPad-integrated CPR training and documentation solution manufactured by Nasco Healthcare, USA. This premium full-size adult female manikin (light skin tone) comes complete with the CPR Metrix system and iPad®, providing graphical interfaces and audio feedback that are intuitive and easy for students to follow — making it one of the most advanced and user-friendly CPR training systems available.

The integrated CPR Metrix system offers solid, real-time documentation of each student's CPR performance, detailed debriefing tools to support post-training analysis, and detailed reports that can be saved in PDF format for easy record-keeping and certification purposes. The package includes a full-size adult female manikin, CPR control box, iPad®, long-sleeve jacket and pants, 5 sanitary masks, 10 disposable lower airways, 10 disposable tracheal airways, 10 white fittings, and a hard carry case with wheels for easy transport between training venues. The manikin comes with an impressive 5-year warranty from Nasco Healthcare.

Q1. What is the Life/form® CPARLENE® Full-Size Manikin with CPR Metrix and iPad® used for?

It is used for advanced CPR training and performance documentation, combining a full-size adult female manikin with the CPR Metrix system and iPad® to deliver real-time audio and graphical feedback, detailed performance tracking, and PDF report generation for each trainee.

Q2. What does the CPR Metrix system provide? The CPR Metrix system provides graphical and audio feedback on CPR performance in real time, solid documentation of each student's session, debriefing tools for post-training analysis, and detailed performance reports that can be saved in PDF format — enabling thorough assessment and certification documentation.

Q3. What makes this manikin stand out from standard CPR manikins? The integration of the iPad® and CPR Metrix technology elevates this from a standard CPR manikin to a complete digital training and assessment platform. Instructors can monitor performance live, conduct structured debriefs, and produce PDF reports — all in one system.

Q4. What is included in this package? The package includes a full-size adult female manikin (light skin), CPR control box, iPad®, long-sleeve jacket and pants, 5 sanitary masks, 10 disposable lower airways, 10 disposable tracheal airways, 10 white fittings, and a hard carry case with wheels for convenient transport.

Q5. Can detailed reports be generated for each student? Yes, the CPR Metrix and iPad® system can generate detailed performance reports for each student, which can be saved in PDF format — making it ideal for BLS certification programs and institutional record-keeping.

Q6. What warranty does this manikin come with? The Life/form® CPARLENE® manikin comes with an impressive 5-year warranty from Nasco Healthcare. The iPad® is covered separately by Apple's own warranty and registration requirements.

Q7. Is this available in a dark skin tone version? This listing is for the light skin tone version. A dark skin tone variant is also available in the CPARLENE® range for inclusive and diverse simulation training.

Q8. Who is this manikin ideal for? It is ideal for medical colleges, nursing institutes, BLS and ACLS certification centers, hospital training departments, and simulation labs that require a technologically advanced, iPad-integrated CPR training and assessment solution with PDF reporting.

Q9. Where can I purchase this in India? You can enquire and order through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit semtrainers.com.

U.S. and other countries.
