### **Gaumard® Clinical Chloe™ Advanced Patient Care Simulator, Light (SB51891 L)**

The Gaumard® Clinical Chloe™ Advanced Patient Care Simulator (Item No. SB51891 L) supports a comprehensive range of general patient care, breast palpation, CPR, airway, injection, and GYN training in one full-body simulator.

**General patient care.** Articulating head, jaw, elbows, wrists, knees, and ankles, with a full body of soft, realistic face skin, hands, feet, fingers, and toes. Interchangeable male and female organs, manual palpable pulses, realistic eyes for ophthalmic exercises (one pupil dilated), a realistic urethral passage and bladder for catheterization, a set of 2 decubitus ulcers, an ulcerated foot, a simulated ear canal, a stylish wig, transverse colostomy/ileostomy/suprapubic stomas for irrigation, upper and lower dentures, and enema administration capability.

**Breast palpation.** Interchangeable male and female breast inserts, with one abnormal breast for palpation practice.

**CPR.** Includes the OMNI® Code Blue® pack to monitor compressions and airway ventilations, with realistic chest rise for BVM practice and a realistic heart, lungs, ribs, stomach, and liver for genuine CPR performance.

**Airway.** An anatomically accurate airway supports nasal and oral tube placement, NG and OG tube feeding and gastric suction, tracheotomy intubation with a replaceable trachea, and tracheotomy placement — with a tongue, epiglottis, vocal cords, and esophagus that look and feel real, plus a trachea, bronchi, and lungs for full airway management assessment.

**Injection training.** An advanced training arm and hand for IV, IM, and sub-Q techniques, with additional intramuscular injection sites in the arm, thighs, and buttock.

**GYN training.** Vaginal douching and pap smear exercises with a realistic vagina and cervix.

**Comes ready for extended use.** Bends and detaches at the waist for easy storage, with detachable and removable internal tanks secured by a latch that provides a secure seal between ostomies and tanks. Supplied with a carrying bag, instruction manual, and neck brace, backed by a 1-year warranty.

**Why Buy from SEM Trainers?** SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

### Frequently Asked Questions

Q: What's the warranty on this simulator? A: 1 year.

Q: Does this include an ulcerated foot for wound assessment training? A: Yes — an ulcerated foot is included alongside the 2 decubitus ulcers.

Q: What's included? A: A carrying bag, instruction manual, and neck brace, plus detachable/removable internal tanks.
