Special Needs Infant - Light Female

Item No. LF01193
Weight
Brand Nasco Healthcare, USA

[Read More](#)

SKU:

Categories: Neonatal Patient Care

Product Description

Special needs infants require specific yet gentle care which includes the performance of vital medical procedures. This newborn-size infant allows healthcare facilities and medical staff to teach special procedures and develop a nursing care plan for special needs infants. The Life/form® Special Needs Infant was developed for a wide range of educational training, including beginning nursing students. Medical devices that can be used include: tracheostomy tube and suction catheter, gastrostomy tube, nasogastric tube, and urethral catheter. Other general cares that may be practiced include: bathing, diapering, and various dressing changes. Five-year warranty. Soft carry bag included. Tracheostomy and gastrostomy tubes not included. Procedures that can be practiced include: Tracheostomy care (placement and suctioning) - size 3.0 mm neonatal Gastrostomy care (lavage and gavage) - size 14 FR

Nasogastric care (placement, lavage, gavage, and suctioning) - size 8 FR or smaller Urethral catheterization (insertion, placement, and care) - size 8 FR Colostomy stoma (attachment of ostomy bag and basic care purposes only) **Special Needs Infant, Light Female (LF01193)**

Special needs infants require specific yet gentle care, including the performance of vital medical procedures. The Life/form® Special Needs Infant, Light Female (Item No. LF01193) by Nasco Healthcare, USA is newborn-size, letting healthcare facilities and medical staff teach special procedures and develop nursing care plans for special needs infants — developed for a wide range of educational training, including beginning nursing students.

Five key medical procedures supported:

- **Tracheostomy care** (placement and suctioning) — size 3.0mm neonatal
- **Gastrostomy care** (lavage and gavage) — size 14 FR
- **Nasogastric care** (placement, lavage, gavage, and suctioning) — size 8 FR or smaller
- **Urethral catheterization** (insertion, placement, and care) — size 8 FR
- **Colostomy stoma** (attachment of ostomy bag and basic care)

General everyday care can also be practiced, including bathing, diapering, and various dressing changes.

Comes ready for training, with a soft carry bag included and a five-year warranty. Note: tracheostomy and gastrostomy tubes are not included, and medical devices used include a tracheostomy tube and suction catheter, gastrostomy tube, nasogastric tube, and urethral catheter.
