NG and OG tube feeding and gastric suction. Opening for gastronomy. Ophthalmic exercises. Catheterization exercises. Simulated ear canal for otic drops and irrigation. Soft, realistic face skin, hands, feet, fingers, and toes. Wig for hair care exercises and surgical draping. Tracheotomy placement. Transverse colostomy, ileostomy, and suprapubic stomas to practice irrigation. Upper and lower dentures for oral hygiene. Vaginal douching and Pap smear exercises. Instruction manual. Meets OBRA requirements.

Gaumard® Clinical Chloe™ Patient Care Simulator, Light (SB20144 L)

Perform a variety of exercises from simple bandaging and general patient care to breast palpation, catheterization, ostomy management, injection training, and cervical examination. The Gaumard® Clinical Chloe™ Patient Care Simulator (Item No. SB20144 L, 45 lbs.) supports comprehensive nursing skills training in one manikin.

Full body movement and realistic feel. Articulating head, jaw, elbows, wrists, ankles, and knees, with soft, realistic face skin, hands, feet, fingers, and toes.

Comprehensive patient care skills, including bathing and bandaging, enema administration, nasal and oral tube placement, NG and OG tube feeding and gastric suction, an opening for gastrostomy, ophthalmic exercises, catheterization exercises, simulated ear canal for otic drops and irrigation, wig for hair care exercises and surgical draping, tracheotomy placement, transverse colostomy/ileostomy/suprapubic stomas for irrigation practice, upper and lower dentures for oral hygiene, and vaginal douching and pap smear exercises.

Breast palpation and injection training. Interchangeable male and female breast inserts, with one abnormal breast for palpation practice, plus intramuscular injection sites in the arm, thighs, and buttock. Interchangeable male and female organs support both configurations.

Meets OBRA requirements.

Comes complete with a neck brace and instruction manual.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
