Product Description

The antiseptic baby! Sani-Baby is an economical, baby-size manikin that has a disposable, sanitary, single-user lung/airway and face shield system. This means that every student starts fresh and clean, every time. No cleaning - no disinfecting - no disassembly. Sani-Baby features a realistic face, molded hair, defined rib cage, and xiphoid process. Includes three disposable face shield/lung systems. Includes electronic VTA light box - Rate light comes on when the correct rate is achieved. Second light comes on to show correct depth with proper release. Both lights on indicate the delivery of quality CPR. 3-year warranty. Size: 26 in. x 8 in. x 8 in. Why Choose the Sani Baby VTA CPR Manikin for Your Simulation Lab in India? The Sani Baby VTA CPR Manikin from Simulaids is a trusted training tool used across simulation labs in India for hands-on infant CPR training practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with NMC and Indian Resuscitation Council (IRC) guidelines for BLS and emergency care training. Who Is This Simulator Ideal For? This product is recommended for medical colleges, nursing schools, corporate first-aid training programs, and hospitals conducting BLS/ACLS certification as per AHA/IRC guidelines. Whether you are setting up a new simulation lab or upgrading your existing facility, the Sani Baby VTA CPR Manikin offers an excellent balance of realism, durability,

and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized Simulaids distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the Sani Baby VTA CPR Manikin compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
