Pelvis for demonstration of birth canal

Item No. L230
Weight
Brand Erler Zimmer, Germany

[Read More](#)

SKU:

Categories: Pregnancy and Childbirth Education

Product Description

With this model birth canal and the passage of the fetal head through the female pelvis during labour can be clearly demonstrated. The pelvic skeleton consists of flexible hip bones with movably mounted symphysis, sacrum with flexible coccyx and 2 lumbar vertebrae. The foetal skull is mounted with a flexible spiral rod on the base and can be moved freely.

Pelvis for Demonstration of Birth Canal (Erler Zimmer, Germany) for Pregnancy & Childbirth Education in India

The Pelvis for Demonstration of Birth Canal (Item No. L230, Brand: Erler Zimmer, Germany) clearly demonstrates the birth canal and the passage of the fetal head through the female pelvis during labor.

The pelvic skeleton features flexible hip bones with a movably mounted symphysis, a sacrum with a

flexible coccyx, and two lumbar vertebrae — reproducing the anatomical give the pelvis undergoes during delivery. The fetal skull is mounted on a flexible spiral rod fixed to the base, allowing free, realistic movement through the birth canal for hands-on demonstration.

Specifications: [WEIGHT AND DIMENSIONS NOT LISTED ON SITE — NEEDS SOURCING BEFORE PUBLISHING]

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Erler Zimmer products in India with over 30 years of experience supplying anatomical models and pregnancy/childbirth health education equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ

Q: What does this model demonstrate? A: The passage of the fetal head through the female pelvis and birth canal during labor, using a flexibly articulated pelvic skeleton and freely movable fetal skull.

Q: What makes the pelvis movement realistic? A: A movably mounted symphysis, flexible coccyx, and articulated lumbar vertebrae replicate the pelvis's natural give during delivery.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
