Categories: Clinical Skills Trainers

Product Description

This advanced Rectal Examination Trainer enables realistic practice in patient communication, stool assessment, and enema administration. With four interchangeable inserts, lifelike anatomy, and a Bristol Stool Scale flip guide, it supports training in diagnosis, stool extraction, and rectal medication delivery, making it ideal for OSCEs, nurse education, and clinical skills development.

Skills

- Patient communication, consent and chaperone procedures
- Identification of common and less common rectal conditions
- Rectal examination, stool assessment and the Bristol Stool Scale
- Identification of an abnormality palpable in the wall of the anal canal
- Enema administration and irrigation
- Administering of liquid rectal medication

Features

- Easy to use, minimal maintenance
- The internal anatomy has been redesigned and produced in a softer, more lifelike material
- 4 interchangeable rectal inserts for: 1. Stool assessment/general examination 2. Stool extraction/manual evacuation 3. Identification of an abnormality in the rectal wall 4. Enema/liquid medicine administration
- Flip style guide containing the Bristol Stool Chart as well as 13 photographic rectal condition for enhanced training
- Representations of 9 types of stool ranging from soft to hard
- 2 hard stools for stool extraction
- With use of the Enema insert, the model can now accept liquid rectal medication, e.g. rectal Diazepam, or enemas and micro enemas or irrigation procedures

Development

Our Rectal Examination Model has now been improved. We are delighted to have worked in collaboration with the **Spinal Injuries Association** to offer additional functionality making the model more versatile and lifelike than ever before. The Improved Rectal Examination Model now offers **stool assessment, general examination, stool extraction and enema training** in one portable model. Since the model can now accept liquid enemas, training in the use of liquid rectal medication is now possible. A comprehensive calendar style flip guide is also included, showing the **Bristol Stool Scale** and photographic representations of **13 important common and less common rectal conditions.** The model offers the ideal training solution for OSCEs, nurse training or those involved with patient care.

Includes

- Includes Simulated abdomen in left lateral position
- 4 x anal canal inserts
- 9 simulated stools for assessment

- 2 stools for stool extraction
- Enema collection bottle
- Enema drainage tube
- Flip style guide with Bristol Stool Scale and 13 photographic rectal conditions

Why Choose the Rectal Exam Stool Enema Trainer for Your Simulation Lab in India? The Rectal Exam Stool Enema Trainer from Nasco Healthcare is a trusted training tool used across simulation labs in India for hands-on rectal examination and enema practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with Indian Nursing Council (INC) and NMC skill-lab requirements for nursing education programs. Who Is This Simulator Ideal For? This product is recommended for nursing colleges, BSc and GNM training institutions, hospital in-service training departments, and skill labs focusing on patient care competencies. Whether you are setting up a new simulation lab or upgrading your existing facility, the Rectal Exam Stool Enema Trainer offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized Nasco Healthcare distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the Rectal Exam Stool Enema Trainer compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC’s CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
