**Why Choose the Obstetric Training Simulator Complete Set for Your Simulation Lab in India?** The Obstetric Training Simulator Complete Set from 3B Scientific is a trusted training tool used across simulation labs in India for hands-on obstetric training practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with NMC's CBME curriculum for obstetrics and gynecology practical training. **Who Is This Simulator Ideal For?** This product is recommended for obstetrics and gynecology departments, nursing colleges with midwifery programs, and government hospitals mandated to provide EmOC (Emergency Obstetric Care) training. Whether you are setting up a new simulation lab or upgrading your existing facility, the Obstetric Training Simulator Complete Set offers an excellent balance of realism, durability, and training value. **Why Buy from SEM Trainers?** SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized 3B Scientific distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality

standards. Frequently Asked Questions Q: Is the Obstetric Training Simulator Complete Set compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at [sem@semtrainers.com](mailto:sem@semtrainers.com) or call +91-88495 63724.
