Includes

- Foot and ankle needle set
- Feedback console with batteries
- ‘No-Trace’ marker
- Book – Joint and Soft Tissue Injection by Dr Trevor Silver
- Carrying case

Manufacturer

Limbs & Things

Why Choose the Foot and Ankle for Joint Injection, Light, for Your Clinical Skills Lab in India?

The Foot and Ankle for Joint Injection, Light (Item No. ALT30100) [Manufacturer: Limbs & Things — please confirm against your OEM agreement] is designed for practicing soft tissue injection technique for the treatment of injuries and arthritis. It was designed in collaboration with Mr. Jim Pickard and Dr. Chris Davies of the University of Huddersfield, UK.

Skills trainable: Patient posture and management, palpation techniques, identifying anatomical landmarks, and injection technique at eight clinically significant sites — the metatarsophalangeal (MTP) joint, Morton's neuroma, tarsal tunnel, plantar fascia, sinus tarsi, retrocalcaneal bursa, tibiotalar joint, and subtalar joint.

Features: Latex-free construction, normal anatomy represented for accurate palpation practice, and an

easy-to-use feedback console — LEDs light up when correct injection sites have been located, giving students immediate, objective confirmation of technique.

Includes: Foot and ankle needle set, feedback console with batteries, "No-Trace" marker, the book *Joint and Soft Tissue Injection* by Dr. Trevor Silver, carrying case.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of leading clinical skills training equipment in India, with over 30 years of experience supplying medical simulators and clinical skills training equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: Is this suitable for latex-allergic students or staff? A: Yes — the model is explicitly latex-free.

Q: How does the trainer confirm correct injection placement? A: A feedback console lights up LEDs when the correct injection site has been located.

Q: How do I order from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
