TIP: You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

Top of the line mini human skeleton. 3B Scientific engineers have optimized the process of reproducing miniatures keeping all anatomical details and structures, even at half of natural size (80 cm). The skull can be removed and disassembled into 3-parts. Made from durable, unbreakable plastic, & hand assembled. Complete with a full 3-year warranty. There's nothing else like it in the world!

- 3-part removable skull (skullcap, base of skull, mandible)
- Removable arms and legs
- Specially mounted hip joints to demonstrate natural rotation of the hips
- Flexible spine with soft intervertebral discs

94 cm; 3.5 kg. Comes on hanging stand that can be placed on the floor or hung on the wall.
