TIP: You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

This high-quality deluxe functional elbow [joint model](#) with ligaments shows the [anatomy](#) and possible physiological movements of the human [elbow joint](#) in exceptional detail. This model clearly demonstrates abduction, anteversion, retroversion, internal and external rotation. The color of the natural-cast bones of the elbow joint is extremely realistic. The cartilage on the elbow joint surfaces is marked in blue. The elbow joint consists of a portion of the humerus, ulna and radius. Functional elbow joint mounted on a base for easy display
