- Bonus: **FREE warranty upgrade from 3 to 5 years** with every product registration

TIP: You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

This life size deluxe functional shoulder [joint model](#) with ligaments shows the [anatomy](#) and possible physiological movements of the [shoulder joint](#) in exceptional detail. Clearly demonstrate abduction, anteversion, retroversion, internal and external rotation with this high quality shoulder model.

The color of the natural-cast bones in this shoulder model is extremely realistic. The cartilage on the joint surfaces is marked in blue. The shoulder joint model consists of scapula, clavical and a portion of the humerus. Mounted on a base for easy display in the classroom or doctors office.
