Product Description

New anatomy app called 3B Smart Anatomy now included for FREE with Highly Flexible Human Spine Model, Mounted on a Flexible Core.

Every original 3B Scientific anatomy model now includes these additional **FREE features**:

- Free access to the anatomy course 3B Smart Anatomy, hosted inside the award-winning Complete Anatomy app by 3D4Medical
- The 3B Smart Anatomy course includes 23 digital anatomy lectures, 117 different virtual anatomy models and 39 anatomy guizzes to test your knowledge
- Bonus: FREE warranty upgrade from 3 to 5 years with every product registration

TIP: You will also receive access to a free 3-day trial to all premium features of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. Click here to learn more.

This spine model is the last spine you will ever need! Specially mounted on a flexible core, adding extra stability to the spine. Ideal for active and hands on use, this spine is great in schools or in a doctor's office for patient education. This spine is extremely durable and an excellent value!

The spine features the following:

- Complete pelvis and occipital plate
- Full flexible mounting throughout spine
- L3-L4 disc prolapsed on spinal column
- Spinal nerve exits
- Cervical vertebral artery
- Male pelvis

Stand is not included with spine. Please see Stand for Spinal Columns and Skeletons. 3B Smart Anatomy explained in 90 seconds:
