**SKU:**

**Categories:** Human Spine Models

## Product Description

New **anatomy app** called 3B Smart Anatomy now included for FREE with Classic Flexible Human Spine Model.

Every original 3B Scientific anatomy model now includes these additional **FREE features**:

- Free access to the **anatomy course** 3B Smart Anatomy, hosted inside the award-winning Complete Anatomy app by 3D4Medical
- The 3B Smart Anatomy course includes **23 digital anatomy lectures**, 117 different virtual anatomy models and 39 anatomy quizzes to test your knowledge
- Bonus: **FREE warranty upgrade from 3 to 5 years** with every product registration

**TIP:** You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

Our most popular spine model for patient and student education is also our most affordable spine model. This spine is fully flexible and designed for hands-on demonstrations. The spine contains these features:

- Full male pelvis and occipital plate
- Fully flexible mounting in spine
- L3-L4 disc prolapsed on spine
- Spinal nerve exits
- Cervical vertebral artery

This high quality spine is a great tool for teaching/learning the anatomy of the human vertebral column.

Stand is not included with spine. Please see [Stand for Spinal Columns and Skeletons](#).
