**Categories:**Urology Models

## Product Description

New **anatomy app** called 3B Smart Anatomy now included for FREE with Human Kidneys Model with Vessels - 2 Part.

Every original 3B Scientific anatomy model now includes these additional **FREE features**:

- Free access to the **anatomy course** 3B Smart Anatomy, hosted inside the award-winning Complete Anatomy app by 3D4Medical
- The 3B Smart Anatomy course includes **23 digital anatomy lectures**, 117 different virtual anatomy models and 39 anatomy quizzes to test your knowledge
- Bonus: **FREE warranty upgrade from 3 to 5 years** with every product registration

**TIP:** You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

This kidney model shows the kidneys with suprarenal glands, the outgoing ureters, the renal vessels and the large vessels situated close to the kidneys in natural size.

The front half of the right kidney can be removed to reveal the renal pelvis, the renal calices, the renal cortex and the renal medulla of the human kidney. This high quality model is a great tool for demonstrating the anatomy of the human kidney.

The anatomy kidney model is delivered on stand.
