To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

This medially divided deluxe brain model shows the brain arteries. The basilar artery of the brain is removable for added detail.

Both halves of this high quality brain model can be disassembled into:

- Frontal with parietal lobes
- Temporal with occipital lobes
- Half of brain stem
- Half of cerebellum

The classic brain is a a great tool for education on the human nervous system and anatomy of the brain. The human brain with arteries is delivered on a removable base for easy display in the classroom.
