Product Description

The prostate examination trainer is supplied as a four sided box housing 4 prostates: Normal Benign, Enlarged Benign, Early Malignant, Advanced Malignant.

Features of the prostate examination trainer include:

- Realistic tactile feeling
- No prostates need to be replaced
- Each is identified via a single, gloved finger access port
- Easy to handle

The soft but firm touch of these prostates has been extensively tried and tested by specialist urologists. The prostate examination trainer is great for all types of prostate education.
