## Product Description

Technology meets simplicity with the fold-up trainer with side ports that works with your iPad, iPhone, tablet, or smartphone. With all of the features of the Lap Tab trainer™ and the addition of side ports (one on each side), we have increased the versatility of the trainer. The Lap Tab trainer™ with Side Ports is ideal for residents to take home and practice. Being our most portable trainer yet, the Lap Tab trainer™ with Side Ports is small enough to fit into a backpack and is simple to set up.
