Product Description

This trainer is aimed at all levels of surgeons in training whose surgical skills require extra practice.

Once set up, the torso can be used to self-educate using his/her preferred surgical laparoscopic

instrumentation for a variety of techniques. The Torso has the following features:

- Can insufflate and maintain air tight pressure
- Supports usage of wet tissue or prepared artificial materials
- Can be used for surgical diathermy. There is a fixed metal plate in the base of the unit with a connection on the outside to enable earthing
- Can be easily cleaned by flushing out through a large airtight drain plug
- Is light weight and has a carrying handle
