SKU:

Categories:The Lymphatic System

Product Description

This colorful anatomical chart details the human lymphatic system. The lymphatic system is shown in the context of the rest of the organs and every important part is labeled for easy study. The detailed anatomy of an individual lymph node is also illustrated on the poster. The lymphatic system chart is a great addition to any classroom or doctor's office. This thickly laminated anatomical chart is printed on premium glossy (200 g) UV resistant paper and comes with 2 sided lamination (75 micron). It comes in a convenient poster size 50 x 67 cm (20x26") and can be written on and wiped off with non permanent markers. The 75 micron lamination ensures the chart does not curl up at the edges and the UV treatment ensures the chart does not get a faded yellow color over time.
